

**PERSONAL INFORMATION** **Ronald Eugene Drimmel**

 Corso Savona 103, 10024 Moncalieri (Italy)

 (+39) 335 5437209

 ronald.drimmel@inaf.it

**WORK EXPERIENCE**

3/8/20020–Present **First Technologist (primo tecnologo)**

INAF - OATo

15/10/2004–2/8/2020 **Research Astronomer**

INAF - OATo

1999–2004 **Research Fellow (assegni di ricerca, borse di studio post-dottorato)**

INAF - OATo

01/12/1998–31/3/1999 **Visiting Scientist**

American Museum of Natural History, New York (USA)

1996–1998 **Research Fellow (borse di studio post-dottorato)**

l'Università degli Studi di Torino

01/01/1996–01/06/1996 **Visiting Assistant Professor**

Franklin & Marshall College, Lancaster, PA (USA)

**EDUCATION**

2001 **Laurea in Astronomia**

l'Università di Padova

(Riconoscimento di equipollenza del diploma "Master of Science" dal University of Florida.)

1995 **Doctor of Philosophy, Astronomy**

University of Florida, Gainesville, FL (USA)

1990 **Master of Science, Astronomy**

University of Florida, Gainesville, FL (USA)

1987 **Bachelor of Arts, Physics-Astronomy**

Whitman College, Walla Walla, WA (USA)

## PROJECT MANAGEMENT ROLES

---

- 2015–Present Project Manager, Euclid FGS Input Star Catalogue  
INAF - OATo
- 2013–Present Gaia Payload Expert  
ESA
- 2008–Present Project Manager, Italian Participation in Gaia DPAC  
INAF
- 2007–Present Work Package Manager, Interstellar Extinction  
Gaia DPAC
- 2006–2012 Deputy Chair of the Gaia DPAC Executive  
Gaia DPAC
- 2007–2008 Interim DPAC Project Manager  
Gaia DPAC
- 2006–2010 Scientist-in-Charge, FP6 Marie Curie Research Training Network “ELSA”  
INAF

## SPECIALIZED COURSES

---

- 2013 PRINCE2 Foundation management course
- 2011 IDL intermediate programming
- 2006 Gaia Project Management course

## TEACHING AND ORGANIZATIONAL ACTIVITIES

---

- 2019 Director of summer school “*Space Astrometry for Astrophysics*”  
ISSS, Aquila
- 2015 Co-Instructor of doctoral course “*Galactic Astronomy with Gaia*”  
Department of Physics, University of Turin
- 2010 SOC Member of ELSA conference, “*Gaia: On the Frontiers of Astrometry*”  
Sèvres, France
- 1996 Visiting Assistant Professor, Dept. of Physics and Astronomy  
Franklin & Marshall College, Lancaster, Pennsylvania
